

Don't Want To Work the 9-5 in An Office?

GET ON YOUR BIKE AND GET A JOB!

Cycle Courier Training (NVQ Level 2)

This 13 week course provides candidates with the essential skills and knowledge required to work as a Courier within London.

The NVQ Level 2 qualification is the recognized standard within the courier industry, and will undoubtedly give you the edge for securing top courier jobs.

Once you have successfully completed your training you will receive a new bicycle (worth £170), and you could be put forward for interview with one of the numerous Courier firms operating within London.

Candidates who have their own moped or motorcycle can also sign up for Motorcycle Courier training.

Benefits of working in the Courier Industry include:

- Independence – the freedom to work with minimal supervision
- Health & Fitness - cycling keeps you physically fit and healthy
- Experience the sights of London while earning £££s!
